My full name is Jacques Alexis, I'm haitian living in the dominican republic longtime ago.

in 2005 I knew Dr. Joe worndle, when he began to start it's first class bible, since that day, I saw in him a great man with a good heart, he love to teach the gospel of Christ, and also he teach us how we can bless in Christ.

he help so much haitian people I saw that with my own eyes, honestly I never see in my life one white man hv so much love for black people specially for haitian, he never tired to work and find help for haitian.

if our government in haiti hv the same love to help haitian people, like Dr. Joe help us, haiti will be a good country.

I hope God give him more and more years in this Earth and also Dr. Joe hv is Crown in heaven because he work for that.

may God bless you Dr. Joe in the name Christ-Jesus.

Jacques Alexis.
