

Opening and Closing the Building **January 2026 thru December 2026**

Mike Allen oversees this ESSENTIAL work. Each Deacon is to make certain that the building is open 30 minutes before starting time, AC is set, lights are on, and all necessary doors are unlocked. When services conclude, make certain that ALL DOORS are locked, lights are off (including bathrooms) and that gates are fastened.

(Please Note: Luis Alfaro and Jose Davila will be responsible for CLOSING the building on Sunday Mornings following the Spanish assembly – therefore they do not receive a monthly assignment. All other assemblies, the closing goes to the assigned deacon).

If you will be out of town or unable for some reason, please find a trained person to do it for you. If you need assistance in any way call Mike Allen or the church office. Thank you!
